

## Playground Advisory Unit of NSW

The principal agency for playground safety & design advice in NSW

### Training

Playground Safety, Inspection & Design workshops conducted by the Playground Advisory Unit provides an introduction to the inspection and maintenance of playgrounds and promotes an understanding of the current Australian Playground Safety Standards.

Workshops can be tailored to your organisation's needs.

The PAU provides a technical and design information service for all groups. It also aims to increase the number of safe, creative play environments that comply with safety standards.

**Please complete the form overleaf to express interest in attending a workshop or arranging a visit to your playspace.**

### Inspection Services

One hour Verbal Consultation provides information on safety and design issues to assist groups with upgrades of playspaces.

Comprehensive Playground Safety Inspection with report and checklists includes hazard identification and recommendations. Inspection reports are delivered with a *Kidsafe NSW Resource Directory*.
