Operational Playground Inspection Course

This nationally recognised training course incorporating *AHCPGD305 Conduct operational inspection of park facilities*, provides participants with the knowledge and skills to conduct operational inspection of parks, recreational facilities and playgrounds to identify hazards, existing and potential risks, non-conformities with Australian Standards, and workplace health and safety requirements.

Who should attend?

Individuals responsible for operational inspection of park, recreational facilities and playgrounds.

This may include playground owners/operators; asset managers; supervisory, technical and maintenance personnel; risk assessors; safety officers; auditors; equipment manufacturers and installers; landscape architects and designers; property developers; teachers and educators.

Entry Requirements

This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *AHCPGD305 Conduct operational inspection of park facilities*, however a general command of spoken and written English, as well as the ability to write a simple report is required.

Cost

\$1,100pp

A full list of fees and charges is provided in the *Training Course Information Guide* available to download from the website.

Duration

Two Days - 9am to 4.30pm* plus post course assessment task

*Start & Finish times may vary and will be confirmed in course confirmation letters emailed prior to commencement.

On achieving competency, participants receive a Statement of Attainment for the Unit of Competency ***AHCPGD305 Conduct operational inspection of park facilities***.

It aligns with the national unit of competency from:

- AHC31416 Certificate III in Conservation and Land Management
- AHC31016 Certificate III in Parks and Gardens
- AHC30716 Certificate III in Horticulture
