Comprehensive Playground Inspection Course

This nationally recognised training course incorporating *AHCPGD505 Conduct comprehensive inspection of park facilities*, provides participants with the knowledge and skills to conduct comprehensive inspection of parks, recreational facilities and playgrounds to identify hazards, existing and potential risks, non-conformities with Australian Standards, and workplace health and safety requirements.

Who should attend?

Individuals who are responsible for the comprehensive (annual or post installation) compliance audit of park or recreation facilities. This may include playground owners/operators; asset managers; supervisory, technical and maintenance personnel; risk assessors; safety officers; auditors; equipment manufacturers and installers; landscape architects and designers; property developers; teachers and educators.

Entry Requirements

This course requires the satisfactory completion of oral, practical demonstration and written tasks. There are no specific entry requirements for *AHCPGD505 Conduct comprehensive inspection of park facilities*, however a general command of spoken and written English, as well as the ability to write a report is required.

Cost

\$1,650pp + GST

A full list of fees and charges is provided in the *Training Course Information Guide* available to download from the website.

Duration

3 days - 9am to 4.30pm* plus post course assessment task

*Start & Finish times may vary and will be confirmed in course confirmation letters emailed prior to commencement.

On achieving competency, participants receive a Statement of Attainment for the Unit of Competency **AHCPGD505 Conduct comprehensive inspection of park facilities** (as well as *AHCPGD206 & AHCPGD305*).

It aligns with the national unit of competency from:

- AHC51116 Diploma in Conservation and Land Management (Elective)
- AHC50716 Diploma in Parks and Gardens Management
- AHC50416 Diploma in Horticulture (Elective)
